This week at Heathrow Primary School:

YOUNGMINDS Hello Yellow

WORLD MENTAL HEALTH DAY

Today in recognition of World Mental Health Day, children and staff came to school in non-uniform wearing yellow or bright colours.
This year, Hello Yellow Day celebrates 10 years of standing out, starting conversations and raising funds – so no young person feels alone with their mental health.

There are days when all of us struggle with how we are feeling. Things can get tough, and it can be difficult knowing how to cope. For so many young people, when this happens, they don't always get the help they need, when they need it. They don't know where to turn, who to talk to, or even if anyone else feels the same.

But we can change this. By taking part in Hello Yellow we're starting a conversation about mental health. The importance of mental health and wellbeing is threaded throughout our PSHE curriculum and as a Happy Mind School, don't forget you too can learn about mental health and support your child by downloading the myHappymind app. Scan this QR code to sign up.
