This week at Heathrow Primary School:

"What have we been up to?"

Year 4 had a fantastic time taking part in a States of Matter workshop in school as part of their science learning. They explored solids, liquids and gases and discovered how substances can change from one state to another when they are heated or cooled. The children loved making ice cream from scratch and seeing a liquid turn into a solid. They also worked with chocolate, filling moulds and watching it melt and cool. They learnt about melting and boiling points and were fascinated to see liquid mercury and discover just how heavy it is! The children were very well behaved throughout and were excited to learn new things. They enjoyed getting involved in the hands-on activities and asking questions about what they could see. It was a wonderful opportunity to bring their science learning to life in a fun and memorable way.

"What have we been up to?"

Following the introduction last academic year of Wellbeing Ambassadors to our Mental Health and Wellbeing Team, we are pleased to announce the Wellbeing Ambassadors for this academic year. The Wellbeing Ambassadors are a team of pupils, that will receive bespoke training in order to equip them with the necessary skills to look after their own wellbeing and to learn how to promote and support it in our school.

As Mental Health Lead at Heathrow, Mrs Gill, will work alongside the Mental Health and Wellbeing Team to think of ways we can continue to improve the quality of mental health for our pupils and staff.

Our Year 6 Ambassadors are Daniel, Nuura, Riya, Layla, Hugo, Preet and Jax. Our Year 5 Ambassadors are Ahlaam, Myra, Kayden, Anvi, Vahin and Chanel.

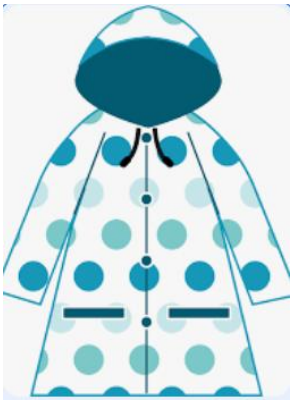

On Friday, 25th September, our School Council team hosted a Macmillan Coffee Afternoon – and it was a huge success! Together, we raised over **£529** for this wonderful charity. An increase from last year

Our School Council pupils were amazing, helping to sell cakes, manage busy moments, and chat with guests to make sure everyone felt welcome. Best of all, they served every cake **with a smile**, spreading positivity throughout the event.

Thank you to everyone who donated cakes, came along, enjoyed some treats, and supported such a great cause!

Warmer Clothing

As the weather has now started to change, please make sure children bring weather appropriate outdoor clothing to school, i.e. rain coats etc. At Heathrow primary, we always try to take children outside at playtimes and lunchtimes unless it is raining heavily. Please make sure that any item of clothing brought in to school is labelled with your child's name. This makes it much easier to find any lost items.
