This week at Heathrow Primary School:

WONDERFUL NEWS

We are delighted to announce that Heathrow Primary School has been ranked 289th in The Times Top 1001 primary schools in England. This is a wonderful recognition of the hard work, high expectations and care shown by our pupils, staff, governors and families.

This achievement reflects strong teaching, our focus on excellent outcomes and the warm, inclusive community we all build together every day. It's particularly pleasing given our diverse intake and our continued drive to improve reading, attendance and curriculum breadth for every pupil.

A huge thank you to everyone who makes Heathrow such a special place — pupils for their enthusiasm, staff for their commitment, governors and parents for their support.
