This week at Heathrow Primary School:

a WONDERFUL FIRST WEEK!

What an incredible first full week it has been at Heathrow Primary! From the moment the children returned last Thursday, the school has been filled with energy, smiles and excitement, and it has been wonderful to have them all back.

It has also been very special to welcome our new Reception children and their families as they begin their journey with us at Heathrow Primary. It has been a brilliant start, I feel very privileged to be the headteacher and I am very excited for the year ahead.

SCHOOL CAR PARK

As part of our ongoing commitment to ensuring the safety of all children, parents, visitors and staff, please remember that the school car park should be treated the same as any other car park and a road. To maintain a safe environment, we kindly ask parents/carers to adhere to the following guidelines when using the car park:

- Park in the designated marked bays only – do not double park and block other users
- If the car park is full, please leave and park down Harmondsworth Lane
- Be vigilant and hold children's hands – Keep an eye on children and hold their hands when in the car park
- Respect Traffic Flow and other car park users – Be aware of moving vehicles and ensure children do not run in the car park area.

Please remember that our car park is a privilege and continuous misuse and disrespect will result in the car park being closed to parents.

Our School Rules:

Show respect and good manners at all times
Care for everyone and everything
Follow instructions with thought and care

UNIFORM

Our children look really smart coming back to school and I thank you for your support with this. The majority of the children are wearing the correct uniform and have sensible haircuts and hairstyles.

Please ensure that your child is in the correct uniform and wearing school shoes by the end of next week. This also applies to our PE kit. Let us start as we mean to go on.

Please remember to label anything your child can take off! Please also check we can still read names once any new uniform has been washed.
